DEAD HEAT AT BRIGHTON BEACH

MAJOR PELHAM AND GAY BOY FINISH ON EVEN TERMS.

Keene's Toboggan Gets Out of the Maiden Class by Capturing the Handicap -- Workman and Candida Take Two-Year-Old Events-The Other Winners.

The Jamaica Stakes, at six furlongs, run at Brighton yesterday, resulted in a dead heat between W. M. Scheftel's Major Pelham and C. F. Hill's Gay Boy in the fast time of 1:122-5. There was no run-off, and all winning bets were halved. Major Pelham, with Hildebrand up, ruled favorite at threes, with Ascension second in favor at 16 to 5. It was an open betting affair, at that, as Divination, d, Gay Boy and the Holland pair, John F. and Counterpoise, were all well supported.

Tim Payne showed in front first, but soon

dropped back, and at the head of the stretch Major Pelham had secured a commanding lead. Then Burns began to move up from the middle of the bunch with Gay Boy, and at the last furlong he put the St. Saviour horse under the whip. Major Pelham was tiring rapidly at that stage, and Hildebrand went to the bat, too. It was only in the last jump that Gay Boy got up in time to divide the honors. Ingold was third, four lengths away, with Counterpoise and Ascension next, five lengths or so behind.

James R. Keene's Toboggan, a hot favorite at 8 to 5, got out of the maiden class when he won the handicap, at a mile and a sixteenth. He gave scale weight to all but Witchcraft, and, after Gold Saint and Sweet Alice had killed each other off with pacemaking for three-quarters of a mile, went to the and won by three lengths in 1:46 2-5. Lord Badge, 5 to 1, took the place by three parts of length from Spring, 8 to 1, who was a head before Sonoma Belle.

Workman, 2 to 1 favorite, with Hildebrand up, won the third race, for two-year-olds, at five and a half furlongs, by half a length from Tramotor, 3 to 1, second choice, after a long, hard drive through the stretch, Burns subjecting the latter to merciless punishment. Gray Lad, 5 to 1, was third, five lengths away.

The time was 1:07.

A. Featherstone has not won many races this year, but his colors were seen in front in the first race, for maiden three-year-olds, when Shipshape, a 40 to 1 shot, romped home two lengths before Tyron, 7 to 2 favorite, with Tide, 20 to 1, a length behind. Lady Prudence, 14 to 5 favorite, burned up a lot of solid backing by finishing far back in the ruck. The race was run in 1:15.

The steeplechase, at about two miles, went to the favorite, Mr. Cotton's Gortnagallon, in a big gallop, Bonfire, 3 to 1, and Thornhedge, 10 to 1, taking the other places. Princess Chic, heavily supported at 13 to 5 was in front, running easily, when she only partly cleared the water jump, and after that she had neither courage nor speed. Both Terrible Terry and Wace fell, the former's rider, G. Green, being severely injured. The time was 4:39 2-5.

H. M. Ziegler's Candida, backed down to 4 to 5 favorite, took the last race, for twoyear-old fillies, in a drive by a length and a half after Peggy, backed down to fives, had made the pace to the head of the stretch. The latter was second at the end, half a iozen lengths in front of Delusion, played down to 8 to 1. The time was 1:07 1-5. half the field got away from the post, Istria bolting across the track and interfering with Nellie Russell, Tyrolean, Swift Foot and Advance. Five favorites finished in front, and Hildebrand rode three of them. The attendance was about 15,000.

NEWPORT, July 13.-Herman B. Duryea this afternoon piloted the 30-footer Caro-lina, owned by Pembroke Jones, to vic-tory in the first race of the season of this class of yachts. Reginald Brooks, in the accoon, was a formidable opponent, and there was but two seconds difference between two boats at the finish. It was a sweepstake race, sailed in a moderate northwest wind, over a course of seven miles, a beat out and reach and run home. The start was close, but the Carolina soon got the windward position, which she held to the finish, there being but six seconds difference between the Carolina and Raccoon at the outer mark, which was at Bishop's Rock, the latter making up some of this on the way home. Chicago. July 13.—English Lad won the fourth race, the feature event of the Harlem card to-day, in one of the most sensational finishes ever witnessed on a local track. McGee was always an odds-on favorite with Eaglish Lad second choice and Witfuli a close third. All three of the choices were heavily backed. Helgerson had the mount on McGee, which affected the odds materially. McGee had a good lead entering the stretch, when Nicol set to work on English Lad and in a terrific drive finally won by a scant length. The others were outclassed. Summaries:

TO THE CLOUDS IN AUTOS. Too Dangerous for Repetition, Says Mr. Harkness, the Winner.

BRETON WOODS, N. Y., July 13. - The first annual "climb to the clouds" closed yesterday with a record run up the eight ile steep, in which Harry Harkness of New York carried off first honors. In his 60 horse-power gasolene German car, Harkness bolted from out a heavy cloud at the summit and cross of the finish line in 24 minutes 37 3-5 seconds after he had left the base. Another New Yorker, James L. Breese, got fourth place with his 40 horse-power gasolene imported vehicle, with a mark of 31 minutes 22 4-5 seconds. The second best time was made by F. E. Stanley of Newton, Mass., in a steam runabout with only 6 horse power indicated.

A E. Morrison of Boston, in a 24 horse-power gasolene, took 31 minutes 6 2-5 seconds for the climb, but, being allowed two minutes for an accident in turning out to pass a slower machine, his official time was 29 minutes 6 2-5 seconds. These four were easily the best four-wheeled vehicle performances of the day. York carried off first honors. In his 60

In the motor cycle class, Arthur Batchelder of Waltham made a fine showing by making the climb in 34 minutes and a fraction.

"I shall not race again over this road. It is too dangerous." Mr. Harkness said. Mr. Breese is keen for another go at the game, declaring that he can better his mark some minutes. Webb Jay, in a 12 horse-power steam car, made the ascent in 42 minutes 19 4-5 seconds. H. W. Aldem of Hartford, in a 12 horse power gasolene, took 51 minutes 50 2-5 seconds. L. J. Phelps of Stoneham, Mass., with a 20 horse-power gasolene car, did 47 minutes 20 2-5 seconds. Otto Westman of Chicopee Falls went up in a 7 horse-power gasolene, took 1 hour 40 minutes 3-5 second. F. H. Peabody, in a 7 horse-power gasolene, took 1 hour 40 minutes 46 seconds to make the ascent.

GOSSIP OF THE RACETRACK

JOCKEY GREEN FATALLY IN-JURED IN THE STEEPLECHASE.

Growing Antipathy to This Kind of "Sport -T. E. Mannix's Entries Refused by the Stewards-Yeager, Wheelock and All the Big Players Win on the Day.

at Brighton Beach yesterday denounced this branch of the turf in unmeasured terms and expressed wonderment that the Jockey Club continues to tolerate "sport" of this kind. G. Green, a colored jockey, who rode Thomas Hitchcock Jr.'s Terrible Terry, who was purchased at Morris Park in the spring by is present owner for the paltry sum of \$100. was thrown at the first jump and was carried off in an ambulance to the Coney Island Ros-pital. The surgeons said last night that Green was suffering from a compound fracture of the skull and would die. :Ireen is 24 years old, was born in Virginia and is married.

There have been numerous accidents in the jumping races this year, but this is the first probably fatal affairisince the killing of Barry on Seminole a year ago. The public has long since come to regard steeplechase events as bad betting propositions, not only because of the chances for spills, but also because of the fact that many such races have had an unsavory taint. Cheap horses that could not win on the flat have been purchased to be sent through the field, with the result that the "sport" has deteriorated into a farce. It would not be surprising, unless the proper authorities step in with a checkrein, to see a bill introduced at Albany next term prohibiting steeplechases within the confines of New York State. Hurdle races were abolished after last year's campaign because the element of danger was too great, but the work of needed reform was not completed.

After investigating the last two races of Neponset, who won the steeplechase at Brighton last Monday, the stewards decided yesterday to refuse all further entries from T. E. Mannix, the owner of Neponset, and to refer the case to the stewards of the National Steeplechase and Hunt Association. Neponset, according to the stewards, showed such a remarkable increase in speed over his preious performance, when he was badly beaten by Fulminate, Black Death and Conover, that the case could not go by without official condemnation. The stewards also gave out as official statement clearing Jockey B. Phillips from the charges lodged against him by E. R. Thomas. Phillips is under contract to ride for Thomas for \$10,000 this year, but it is believed the boy will no longer ride for the millionaire turfman, who wants to head the

list of winning owners.

When Gay Boy and Major Pelham ran a dead heat in the Jamaica Stakes, which was a selling affair, a great many horsemen wanted to know who, in case there had been a bid up on either horse, would have received half of the run-up, which usually goes to the sec-ond horse in such events. There was much speculation over the point until an official of the track decided the question with the statement that the money would have gone to the owner of the third horse, Ingold, A. Featherstone. Workman, the winner of the third race.

was entered to be sold for \$1,000. When he was offered at auction after the race, James Blute, who trains Tramotor, the second horse, running in his wife's name, began to boost the price, but he soon stepped aside for U. Z. De Arman, the Westerner, who continued bidding until the figures had reached \$3,000. Then a representative of the Patchogue stable in whose name Workman runs, although Billy Du Bois, who makes the club horse book, is the real owner, bid an extra \$5 and the Fatherless colt went back to his stall. This transaction netted Blute \$1,000 under

Highball's suffering was ended on Tues day evening by Dr. O. C. Farley, who, after chloroforming him, shot him in the head. The great horse was surrounded by a crowd of weeping stable boys, who cut bits off his mane to remember him by.

Hildebrand rode three winners yesterday,

and Yeager backed all of them. He began with Workman in the second race, Yeager getting down \$5,000 at 2 to 1. Then the star jockey handled Major Pelham in the dead heat, Yeager betting \$2.500 each way at 3 to 1 and even. The plunger had another \$5,000 wager on Candida in the last race at even money, besides playing Toboggan in the handicap for one of his characteristic bets. Workman was played by all the big specuand Candida. Frank Lanterman had \$2,500 on Workman, while George Wheelock, Drake, Lewisohn. Gideon and others were also aborad Billy Du Bois, the owner of the colt, had a big wager down, too, the clubhouse contingent following him almost to a man. Wheelock went up and down the line on Toboggan, the amount of his commissions being \$10,000, it was said. His lead was followed by almost everybody who "got onto his curves" in the ring. Senator McCarren had a large commission on the Keene colt, also backing Can-

dida and Workman.

Congressman Timothy D. Sullivan bet
\$1,000 on Lady Prudence in the first race,
which, by the way, was chock full of good things, including Belle of Portland at five Louis H. backed down to 20, Hatchet, lowered from 12 to 1 to eights, and Bound Brook played from 8 to 1 to sixes. It was said that E. R. Thomas, owner of Bound Brook, bet or nim across the board. Eddie Burke dropped \$3,000 on Belle of Portland. A. Featherston had only a nominal bet on his filly Shipshape,

who came home with 40 to 1 about her. Although Princess Chic had never done anything in the steeplechase line there was such a hot tip on her that the layers quoted her at a short price. Some of the shrewdest players took her at 13 to 5, the closing quota-

on Ishlana. Tramotor was heavily backed for the place in the third race, while Frank Farrell's Gray Lad carried much place and show money. Spring was handed out for a good thing in the handicap, the odds dropping from 15 to 1 to eights. LAWN TENNIS. Larned and Dewhurst and Wright and Ward

William A. Larned and E. B. Dewhurst and William A. Larned and E. B. Dewnurs and Beals C. Wright and Holcombe Ward were the winners yesterday in the two scheduled matches of the invitation round robin lawn tennis tournament, which was continued on the courts of the Country Club of West-chester. The former, pair defasted William A. Clebbar and Moral Parasses and the latter A. Clothier and Edgar Leonard, and the latter team won from Kreigh Collins and Raymond D. Little. Except on the third set, which they lost, Larned and Dewhurst played considerably better than their opponents. Their team work shows improvement, and for a new combination they play well together. Larned made a number of brilliant strokes and his placing along the side lines was a feature. The ex-champion was strong on volleying, frequently smashing with effect at the net. Clothier and Leonard, also a new combination, struggled hard for the last set, but their opponents proved a bit too strong.

In the other contest, Ward and Wright won in straight sets, scoring their third conwon in straight sets, scoring their third consecutive win of the tourney. They are now well in the lead for the prize. To-day's match against the Wrenn brothers will be the test, as the latter pair are considered the strong rival combination on the list. The other contest to-day will be: Clothier and Leonard vs. Collins and Little. The standing to date: Beals C. Wright and Holcombe Ward, won S. lost 0: George L. Wrenn, Jr. and R. D. CLEVELANDS HAVE THINGS ALL THEIR OWN WAY.

Locals Make a Poor Showing—Still in Second Place, as Chicagos Are Shut Out in Philadelphia—Bostons Win From Detroits - Senators Beat St. Louis.

The New York Americans were beaten by Cleveland again yesterday, but, luckily for them, Philadelphia beat Chicago, so the slumpers becals are still second. Bos ton won a close game from Detroit, and the Senators beat St. Leuis. The result: Cleveland, 16; New York, 8.

CLEVELAND, 16; NEW YORK (A. L.), 3.
The Clevelands did things on a big scale yesterday. They hit the ball on that plan and fielded just as effectively. They had it all their own way with the New Yorks, from whose ranks both Keeler and Ganzel were missing. The patched up locals were slow, languid and dispirited. Because they could not make timely hits all of thirteen of them were leit on bases. They have had enough men left on bases the last two days to win

The Clevelands hit Griffith hard, Chesbro harder and Clarkson hardest. Griffith was jarred for four hits in two innings, Chesbro vas hammered for six hits in three innings and Clarkson was clouted for seven hits in four innings. While problematical, it is yet probable that the New Yorks would have ione better had Griffith pitched the game through.

Individual feats of prominence were in vidence. Lajole was up six times and made three thumping three-baggers, one scratch single, one sacrifice and drew one base on balls. Bradley is charged with four times at bat, but he made five runs. Fultz made four hits and Hickman played a beautiful

New York's playing. Connolly's umpiring in this series has been the poorest seen here this year.

The New Yorks made a good start yesterday, then flashed in the pan. The Clevelands scored two runs on two hits and a wild pitch, but the New Yorks went this one better. Williams, Anderson. Elberfeld and Fultz all hitting safely. A scorching one handed stop by Hickman robbed Dougherty of a hit. A hit by Bernhard following a base on balls and an out scored for Clevelands in the second. Chesbro was shaken up for a single, a triple and a double in the third, besides which there was a wild pitch and a fumble by Elberfeld. Errors by Chesbro and Osteen, a base on balls and hits by Bradley, Lajoie and Abbott sent in another batch of three in the fifth. Clarkson went in the sixth, struck out Flick as a starter, then was jostled for a single and two triples. Slow fielding by Dougherty gave Lush his single. Every pitcher in the game made a wild pitch, five being the total number, and Clarkson made his in the seventh. He also gave two bases on balls and was hit for a double and a triple in this inning. In the eighth he was upset to the extent of a home run and a two-bagger. Bernhard made the two-bagger. Had he run it out it would have been a three-bagger, but the game with the lethargic locals was too easy for undue exertion. The score:

CINCINNATI, 4: NEW YORK (N. L.), 3.

CINCINNATI, July 13.—It was a nerve-racking game to-day, and if McGinnity's arm is iron, Walker's nerves are of the same material. The young man in nine innings passed through an almost solid procession of perilous positions and not until he fanned Bowerman with second and third occupied at the end of the game, did he dare to relax. An invaluable aid was Odwell, who twice laid McGann low on the bases by beautifully long and accurate throws.

McCormick broke the game open with a crash, the ball salling past Dolan for three bases. Browne's grounder to Corcoran allowed him to score. Devlin's foul was taken by Schlei and then McGann laced a long hit to centre. Odwell made a great stop, and his throw to Corcoran laid out McGann trying for second. McGinnity in the first did well to hold the Reds down to a trio of runs. Huggins got a pass and slid over the plate with a run when Seymour rapped a two bagger. Dolan bunted, and Devlin Juggled the ball. Odwell contributed a single on which Seymour scored. After Kelly had sacrificed, Steinfeldt walked. Dahlen was dazzled by the prospect of an easy double play and fumbled Corcoran's grounder.

With the bases filled, Wiltse was seen to go behind the stand to warm up. He was not needed, for Schlei lifted a foul to Devlin and Walker swiped the breezes. In the fourth, McGann hit to the centrefield fence, and he was laid low by a wonderful long throw of the Cincinnati left fielder. Subsequent singles by Mertes and Dahlen and an out brought in Mertes with a run. Dahlen tied the score in the seventh on his single, Gilbert's single, a fielder's choice and an out brought in Mertes with a run. Dahlen dout. New York had three on bases in this inning with no one out, but Dahlen alone got in. The game was won in the eighth on Kelly's double and two infield singles, all after two were out.

I have labored indefatigably for 20 years in the field of Diseases of Men. My name and my reputation are known here and abroad. I reat nothing else. I cure my cases. I have thousands of living, breating, honest and incorruptible proofs of my skill and knowledge in this city and in every State of the Union. But all that I have done for 20 years does not compare in importance with my latest discovery—The Elixir of Life. Its powers and properties are as wonderful as those of radium and more far reaching and practical than any known remedy. By its secret use old men can be made young again—can taste once more the vigor and fire of early youth—can throw off the shackles of feebleness—incompetency—and bid sterility farewell. This is not a Patent Medicine. It is only supplied to patients who place themselves under my care for either office or home treatment and is specially prepared and adapted to each individual case as diagnosed.

If you are interested, write me to day. Your letter will be held sacredly confidential, and my scaled reply (accompanied by absolute proofs) will startle you. Daily, 9 to 12, 1 to 5, 6 to 8 P. M. Sunday, 10 to 12. DR. HENRY H. BANE, 186 West 84th Street, New York
